PERSONAL SPONSOR LOGO PLACEMENT

Please be aware that logos, brands, or wording conflicting with JGM values will not be permitted on the sticker kit. The approved positions for personal logos are indicated by yellow rectangles.

AGREEMENT TERMS

MISSING AND CANCELLED ROUNDS

JGM wants to make it clear that we have no control over the 2024 race calendar, and events may be postponed or cancelled. If the Club/Promoter decides to cancel or postpone an event and the driver cannot participate in the rescheduled race, no refunds will be issued.

The Ipswich Kart Club (IKC) Championship commitment is for 8 rounds/events. If the IKC adds extra rounds in 2024, the driver agrees to pay the difference. If the Club runs fewer than 8 rounds, no refund or credit will be provided. Refunds and credits will not be given for a change of mind.

If a driver misses a round due to reasons like sickness, family emergency, injury, or suspension, no refund/credit will be provided, and the driver cannot sublet their place. However, JGM may discuss the option of a coaching session on a case-by-case basis.

SPORTSMANSHIP AND TEAM VALUES

JGM has a zero-tolerance policy for cheating or abusing drivers and officials. Such behaviour is considered a breach of JGM's core values and will result in the driver being asked to leave the team without a refund. If full payment hasn't been received, the card will continue to be charged until payment is complete.

It's the responsibility of the driver/parent/guardian to inform and keep JGM updated on any stewards' hearings. JGM values include Care, Lead, Collaborate, and Grow.

MEDIA

A signed media waiver form must be returned with this agreement. When posting on social media, the driver must comply with Karting Australia's social media policy. JGM expects and encourages the driver to participate in interviews and photo opportunities at event/s where requested.

MARQUEE ACCESS & SUBLETTING

Only JGM Main Team drivers have access to the JGM marquee for IKC practice. . The driver is not allowed to sublet or sell their spot to another driver, nor can he/she invite friends into the marquee on practice days.

AGREEMENT TERMS

DATA RECORDING/ SHARING

The driver/guardian is responsible for and required to record and share all Mychron data, video footage and setup records for technical analysis with the JGM team and its technical partners.

It is the driver/guardian's responsibility to complete all setup logs during an event for the team to best assist you. This can be done via the JGM team app. Please note, setup can be entered at any time for record keeping however - if this is not completed by the guardian/driver throughout the day, we are unable to provide our best technical support.

JGM uses the Mychron 5 data system in conjunction with Race Studio for data analysis, providing valuable insights to our drivers, team and technical partners. It is mandatory to use a Mychron 5 for data analysis.

JGM strongly suggests using the GoPro camera for capturing video footage. We go a step further and advocate for the use of two cameras.

One camera should be positioned as per Karting Australia requirements on the front Nassau panel, and the other ideally placed on the side of your seat or radiator.

This dual-camera setup not only aligns with the recommended standards but also enhances the overall recording perspective for better analysis and feedback.

IMPORTANT NOTES

Approved Engine Builders - Main Team

- Kip Foster's Kart Force (WA)
- Shane Piper (NSW)

Other engine builders may be approved and added to this list on a case by case basis, with permission to be sought by the team *PRIOR* to engine being sent.
